Dear Mr. Hedberg:

DIVISION OF
OIL, GAS & MINING

Last week our office sent you a copy of our reclamation bond estimate for the Geneva Steel operations in Iron County. The file number on this estimate was incorrectly stated as UTU-71132. The correct file number for this project is UTU-71131. Your file number for the project is M/021/008.

Please keep Gina Pack updated as to the status and amount of the reclamation bond. We have asked Geneva Steel to postpone their work on public land until the bond is in place.

We appreciate the very cooperative attitude of you and your staff. It is a pleasure to work with you in administrating use of public lands in Utah.

Sincerely,

Arthur L. Tait
